Invitation to the 2026 European Conference

Dear Presidents,

Dear Contact Persons,

We are delighted to invite you to the **European Conference of the Entente Européenne 2026**. The conference will take place from 13 to 17 May 2026 in the historic city of Segovia in Spain.

The conference offers an excellent opportunity for professional exchange and networking at European level.

Venue:

Hotel Puerta de Segovia – Segovia, Spain

The venue can be reached in approximately 30 minutes by express train from Madrid Airport. Trains run approximately every 20 minutes. A free shuttle bus will take you from the airport to the train station, where the express train will take you to Segovia. The organisers will pick you up there and accompany you to the hotel.

Highlights of the conference:

- We want to set the course for the future of Entente Européenne and present the initial findings of the working group on the reorientation of our association. To this end, a round-table discussion will be held on Friday afternoon, in which – unlike previous presidential meetings – all delegates will be able to participate and contribute to the discussion.

- For the first time, a workshop on animal and species protection in Europe will be offered. The aim is to exchange ideas between member associations and to take stock of the current situation in the individual member countries. We would be delighted if as many people responsible for animal and species protection as possible could participate as delegates.

The detailed programme for the conference and the registration forms can be found attached and on our website.

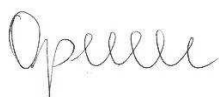

Registration deadline: 5 April 2026

Please send all registrations to: secretariofesacocur@gmail.com

We would like to express our special thanks to the Spanish association, which is generously supporting the hosting of this conference and facilitating the organisation on site.

We look forward to welcoming you to Segovia and shaping the future of the Entente Européenne together.

Kind regards,

Hansjörg Opala
President
